In order for Leaders to qualify for the listed specials, you must:

1. Have your Ranch and/or Island group booked and appropriate deposits paid **BEFORE** you reserve your leaders' rooms. (Rooms will not be booked prior to Ranch/Island group reservation)
 2. When leaders' rooms are booked, the "special" will not activate until your Ranch/Island groups are paid in full and all *camper information** is entered in your online reservation.
 3. Your Ranch/Island groups must be paid in full and have all *camper information** entered in your online reservation a minimum of 2 weeks prior to arrival in order for your leaders' rooms to be "free". (If balance is not paid and *camper information** not entered 2 weeks prior to arrival, the free lodging becomes null and void).
- **Camper Information:* the name, address, phone number, birth date, age, gender and parents' names for each camper you are registering. You must enter this information into your online reservation. The health forms are not required in advance for this special (although we highly recommend you send them in ahead of time).
 - **Cancellations:** Camper deposits are non-refundable; however, balances paid in full beyond the deposit are transferable to another camper within your group. (Prior to cancellation, you may substitute one camper for another in order to maintain the special.)
